Cape Breton's Diversity in Unity

Fuadach Nan Gàidheal

- 1. Gur e mise tha tùrsach, A' caoidh cor na dùthcha, 'S nan seann daoine cùiseil Bha cliùiteach is treun; Rinn uachdarain am fuadach Gu fada null thar chuantan, Am fearann ga thoirt bhuapa 'S thoirt suas dha na fèidh.
- 2. 'S e sud a' chulaidh-nàire, Bhith faicinn dhaoine làidir Gam fuadach thar sàile Mar bhàrrlach gun fheum. 'S am fonn a bha àlainn Chaidh chur fo chaoraich bhàna; Tha feanntagach 's a' ghàradh, 'S an làrach fo fheur.
- 3. Far an robh mòran dhaoine Le 'm mnathan is le'n teaghlaich, Chan eil ach caoraich-mhaola Ri fhaotainn 'n an àit'; Chan fhaicear air a' bhuailidh A' bhanarach le buaraich No idir an crodh guaillfhionn 'S am buachaile bàn.
- 4. Tha 'n uiseag anns na speuran A' seinn a luinneig ghleusda, 'S gun neach a tha ga h-èisteachd, Nuair dh'èireas i àrd.
 Cha till, cha till na daoine,
 Bha cridheil agus aoigheil,
 Mar mholl air latha gaoithe,
 Chaidh 'n sgaoileadh gu bràth.

Translation:

The Eviction of the Highlanders

1. I am so sad
Mourning for the state of the country
And the old thrifty people
Who were worthy and courageous.
Landlords evicted them
Far over the seas;
Their lands were taken from them
And given up to the deer.

2. That was a matter of shame,
To see strong people
Being evicted over the ocean
Like useless debris;
And the beautiful land
Occupied by Cheviot sheep.
There are nettles in the garden
And the ruins covered with grass.

3. Where there were many men With their wives and families, There are only hornless sheep To be found in their place. You cannot see in the cattle-fold The milkmaid with her fetter, Or the white-shouldered cattle And the fair-haired herdsman.

4. The lark is in the skies
Singing her tuneful song,
With no one listening to her
As she climbs higher.
The people will never return, never return,
Who were hearty and genial;
Like chaff on a windy day
They were dispersed for ever.
