Cape Breton's Diversity in Unity

Òran A' Mhèinneadair

Ì ill ù ill agus ò
Mo chridhe trom 's cha charaich e;
Cha tig na fithich 'n am chòir
Leis an dòigh 's 'n do chailleadh mi.

Bha mi deas 's gu robh mi tuath,
Bha mi thall an Sydney Mines,
Bha mi shuas an Glace Bay mhòr,
'S gur iomadh gual a tharraing mi.

Repeat Chorus

Translation:

Miner's Song

Ì ill ù ill agus ò,
My heart is tired and will not move;
The crows won't come near me
Because of how I have been lost.

I was in the south and in the north,
I was over in Sydney Mines,
I was up in big Glace Bay,
And much coal did I haul.

Repeat Chorus
